

Output:

The screenshot displays a web application interface for user management. The browser's address bar shows the URL `127.0.0.1:8000/praktikum-6/losers`. The application has a dark navigation bar with links for "PW", "Home", and "Profile". A search bar is located in the top right corner.

The main content area is divided into two sections:

- List of users:** A table displaying a list of users with the following columns: No, Email, Fullname, Address, Birthdate, Phone, Gender, and Action. The table contains two rows of data.
- Form User:** A form for creating or editing a user. It includes a success message "User created successfully." and input fields for Email, Fullname, Address, Birthdate (with a date picker), Phone (with a plus icon), and Gender (radio buttons for M and F). At the bottom of the form are "Clear" and "Save changes" buttons.

No	Email	Fullname	Address	Birthdate	Phone	Gender	Action
